

3000 Gallon Tanker

AXES & IRONS FIRE & RESCUE EQUIPMENT

OUR TRUSTED WORKHORSE, DELIVERED FAST AT A GREAT VALUE

The original 3000 Gallon Tanker was Fouts' inaugural fire apparatus. Today, it's deployed nationwide, known for its resilience in tackling fires across various terrains. Built to withstand tough conditions, our standardized manufacturing processes enable us to offer it at a significantly lower cost than comparable tankers from other builders.
